Minutes	Minutes from the February meeting were distributed prior to the meeting. Motion to approve minutes by Nicole Nelson and seconded by Jenny Lenbom. Motion approved.
Fiscal Report	BP 3 Budget Board of Directors has reviewed and approved the budget to date. Still have sizeable amount of carryover funding to spend prior to the end of this fiscal year (June 30). Scholarships: Please remember that \$500 is available to any individual for eligible training. Scholarship form is on our HERC website.
Regional Sharing and Updates	Other REAL Events since February: <ul style="list-style-type: none"> • Ashland and Bayfield Counties– several short power outages. Raises the issue of those who are medically dependent on electricity. • COVID Updates: Aimee checked hospitalizations in our region yesterday and we continue to float between 20-25. Up until about a week ago we continued to have approximately 7-8 in critical care. <ul style="list-style-type: none"> -Testing sites with WING and contracted companies have been discontinued in most counties/regions. -Rich Haider: HICS has demobilized at Osceola Medical Center. -Marshfield: cases are slowly on the decline. Seeing several increases in requests for monoclonal antibodies. Staff are starting to resume more normal programming. Still having some questions on prophylactic and monoclonal treatments. -EMS: Eau Claire - minimum protocols of eye protection and N95's, but potentially backing off PPE to surgical masks. -Minnesota Department of Health came out with new guidance on 4/7/22 to MN providers that all unvaccinated healthcare providers will be required to wear N95's and face shields. -A multi-disciplinary AAR will be scheduled and completed in the next couple months -Polk County board approved a first responder training and equipment to help recruit first responders and encourage people to be a first responder – up to \$800 grant per individual per Fire and EMS • Avian Influenza Update: Barron County – working on having supplies and testing capabilities ready to go for response. Outreach and education have been provided to the community.

	<ul style="list-style-type: none"> -migratory path related differences between MN and WI might explain why MN is seeing more Avian Influenza. -Chippewa County has been working to identify pods around their county and work with 4H groups and educating community. -WI DATCP did stop any type of show that brings birds together <p>-DNR has stated there is also a hemorrhagic disease going around with rabbits and is educating the public not to go near any encountered diseased rabbits.</p>
